This upcoming Drill lets have some FUN! This IDT will be our annual Pot Luck Christmas Event and ugly sweater contest!!! With prizes to be had! Let's all laugh and get into the holiday spirit together as a family!

I would like for you to take time to appreciate each of your fellow Soldiers that work and stand next to you in this unit. I would also like you to remember we are family and we will succeed together as one. Please let your leadership know if there is anything, and I mean anything that you may need during this coming season. I wish a joyful holiday and happy new year to all of you and your families!

With all that being said please be safe and careful! I will see you all at drill and thank you for all that you do for the unit!

RNCO

ALL,

I will need to see the following on 03DEC2022 in the ADMIN room:

SPC Baruelo - 0900

SPC Gralinski - 1000

We will have the VBS (Virtual Battle System) here on both Saturday and Sunday. Break your sections out into crews of 4. This should be great training!

I will need to know who in the unit does not have a Government Travel Card. I know there are some of you out there. Having a GTC is a requirement.

The below QR Code is for the R&R team and I would encourage all of you to check it out.

There will be a leadership teleconference on 29NOV2022 at 1900, I will send the information out once I receive it back from J6.

See you all on Saturday and enjoy the Holiday!
